TONIGHT'S GAMES

The Bulls open up a five-game series against the Buffalo Bisons with a doubleheader, in which Durham is the home team for game one, and Buffalo is the home team for game two. Game two is a makeup of the contest on 7/13, which was rained out between the teams in Buffalo without ever starting. Durham is coming off a 3-5 road trip to Charlotte and Lehigh Valley, and is 8-11 since the All-Star Break. Buffalo - the Toronto Blue Jays' top affiliate - took 3-of-4 in Norfolk its past four games, and is 13-3 over its last 16 contests, jumping from four games under .500 to six games over .500, and 11.0 games back of the division lead to 4.0 games back in that span. Despite having identical records, Durham holds a 7.5-game lead in the IL South over second-place Charlotte, while Buffalo sits in fourth place - and 4.0 games back - of first-place Syracuse.

LAST TIME OUT

The Bulls salvaged a series split in Lehigh Valley, earning an 8-5 win in the four-game set. INF **Vince Belnome** went 2-for-4 with three RBIs to extend his hitting streak to seven games, while Durham avoided losing a series to Lehigh Valley for the first time since 2009, when the IronPigs swept the Bulls in a four-game set at the DBAP.

SERIES WITH BUFFALO

Durham is 3-0 against Buffalo after taking three straight against the Bisons in New York from 7/10-7/12. In that set the Bulls outscored the Bisons 14-6, allowing just two runs in each contest. Durham has won 10 straight contests against the Bisons at the DBAP dating back to 6/21/11, and is 18-2 against Buffalo at home since the start of the 2009 season.

WORKHORSES

Since the Bulls' game at Charlotte on 7/31 was suspended after 2 1/2 innings, the Durham bullpen has thrown 21.2 innings over the team's last six games, allowing five earned runs. Since 7/1, the Bulls' bullpen has gone 2-3 despite a 2.04 ERA (92.2 IP, 21 ER).

TURN THE BEAT AROUND

Over Durham's last six games, the starting rotation has gone just 1-3 with a 6.67 ERA (27.0 IP, 20 ER). Over that span, the starting pitcher has failed to make it at least 5.0 innings on four difference occasions.

DOUBLE DIPPING

After going the first four months of the season playing just one doubleheader (5/16 vs CHA), the Bulls will play four doubleheaders in some capacity in August. On 8/1 @ Charlotte, the Bulls and Knights completed a game from the previous night before finishing the four-game set with a seven-inning contest. After tonight, Durham and Rochester will complete a game in Rochester before playing a seven-inning contest on 8/11, and on 8/29 Durham and Norfolk will play two seven-inning games in Virginia.

HANGING ON

Despite going just 18-26 over its last 44 games, Durham has not lost any ground on its division lead. The IL South's .470 winning percentage (221-249) is the worst in professional baseball, and Durham's final 18 games come against division rivals, which it is 28-18 against in 2014.

SOUTHPAW STRUGGLES

The Bulls are now 13-14 against left-handed starting pitchers this season - but just 6-12 over their last 18 games against them. As a team Durham hits .250 against southpaws and .258 against right-handers. The Bulls are scheduled to face three LHP this series.

STAYING PUT

After undergoing 74 transactions through the season's first three months - an average of just under 25/month - Durham has had just 15 transactions since 7/1, and just seven transactions over the last 26 days. After going the first 102 games of the season with at least 25 players on the roster, Durham has sat at 24 players since 7/22 - a span of 14 games.

WHO'S HOT

OF **Jeremy Moore** has reached safely in 24 of his last 25 games, in 30 of his first 32 games with the Bulls, and has hit safely in 28 of those 32 contests... INF **Vince Belnome** is on a seven-game hitting streak (10-for-24), and has reached safely in 32 of his last 38 games (.323-5-18, 27 BB, .438 OBP)... OF **Justin Christian** is hitting .330-4-10 with 11 multi-hit games his last 31 contests.
